Vinyl Fence Limited Lifetime Warranty

AmericanOne Fence & Railing, LLC warrants the original owner that Mainstreet Vinyl Fencing Products will be free from any manufacturing or material defects that result in peeling, flaking, blistering, corroding, rotting, or abnormal discoloration when subject to normal use and proper installation procedures. AmericanOne Fence & Railing, LLC limits this warranty to 30 years in the event that the vinyl fence is used for commercial use. The lifetime warranty intended to cover individual owners only, but only if the original purchaser remains as owner and primary occupant of the resident on which the product was originally installed. If the original owner were to no longer be a fulltime resident of the property, for any reason, the warranty coverage is automatically converted to a 30 year limited warranty with a starting date of the original installation.

The original owner is covered by this warranty as long as he owns and uses the property on which the product is installed as the primary residence. The lifetime warranty automatically ends upon the sale of the property or death of the last original owner of the property at the time of installation. Should any defects occur during the warranty period, AmericanOne Fence & Railing, LLC shall not be liable or responsible for labor charges or other expenses whatsoever in connection with removal or installation of either the original or replacement product.
